## UI/UX DESIGN EXPERIENCE

### STEMist Education

JUNE 2022 - PRESENT

Designed the front-end of the user interface of desktop and mobile websites and worked with the Tech team to develop it. Over 500 page views per month, radically shifted home page to a new, modern look.

### Empower Hacks - Oppur

AUGUST 19-21 2023

First place submission at 600+ participant hackathon, developed wireframe, visual design, and frontend with Figma and Next.js. Project video designed with Adobe AE. [Devpost](#)

### Charger Hacks - Ecotracker

OCTOBER 20-22 2023

First place submission at 150+ participant hackathon, environmental awareness web-app. Designed user flow, visual design, and developed website. [Devpost](#)

## ACADEMIC COMPETITIONS AND AWARDS

### US Chemistry Olympiad — Honors / Top 150

MARCH 2022 - PRESENT

Achieved Honors status at USNCO Nationals. Top 150 out of 13,000 (Top 1.1%)

### US Biology Olympiad — Semifinalist / Top 400

MARCH 2023 - PRESENT

Placed in the top 10% of 4,000 USABO Competitors in the USABO Opens exam.
